

Application No. 09/537,372  
Amendment dated March 1, 2006

10

Docket No.: 02902/000G377-USO

### REMARKS

In response to the *Ex Parte Quayle* action mailed on October 20, 2005, and further to an agreement with the Patent Examiner reached on February 10, 2006 (which was in furtherance of an inquiry by the Undersigned on October 25, 2005 and again on November 8, 2005), Applicant submits the foregoing amendment to previously allowed claims 1-12, 16-18 and 21-33.

The present amendments are necessitated because some of the language in the allowed claims was introduced by Examiner's Amendment whereas your Applicant has support for a different amendment which overcomes a perceived indefiniteness noted by the Patent Office in certain of the claims, and which provides Applicant with a desired scope of protection.

Notwithstanding the allowance of claims 29-31, they have been canceled to expedite allowance of this case.

No fees are believed owing in view of the agreement with the Examiner, but the Patent Office is authorized to charge any fees due or credit any excess payment to deposit account number 04-0100.

Dated: March 1, 2006

Respectfully submitted,

By
